Luis Ramos, Colonel, USAF (Ret.)
721 Citrus Wood Lane
Valrico, FL 33594

Dear Colonel Ramos:

Thank you for your proposal to recognize our military men and women and your willingness to spearhead and raise the necessary funding for this program. Your desire to give back to those who are wounded as a result of their sacrifices on our behalf is most noteworthy.

I fully support your initiative to plan and organize a Military Appreciation Day Concert at the Tampa Convention Center, on Sunday, August 21, 2011. Santiago C. Corrada, Convention Center, Tourism, Recreation and Cultural Arts Administrator, has been appointed as my representative on your planning committee.

Military active duty personnel and government civilians from MacDill AFB and the Tampa Bay area will be invited to attend the concert as guests of the City of Tampa while we honor their continued service to our nation.

Sincerely,

Bob Buckhorn
